Contratech International Trading (CIT) W.L.L

### Hitachi AC Shipment:

We are excited to announce the arrival of new stock of Hitachi cooling and heating units, marking a significant step forward in our presence in the market.

Hitachi is renowned worldwide for its innovative technology, energy efficiency, and reliable performance. These advanced air conditioning systems are designed to deliver superior comfort for both residential and commercial spaces.

As an authorized distributor of Hitachi Cooling & Heating products in the Kingdom of Bahrain, we proudly offer you the latest cutting-edge air conditioning solutions tailored to your needs.

### Teamwork in Action:

From small beginnings to a growing force, our Service Team has quickly grown into a powerhouse within our group of companies. Their dedication, skill, and relentless commitment to excellence have made all the difference in delivering top-notch service to our clients. Every challenge they face is met with professionalism and passion.

Kudos to our Service Team for their hard work and perseverance. Their efforts are the foundation of continued success, and we look forward to many more milestones together!

## Do you know?

Every year, millions of trees are cut down to produce paper. By reducing our paper use and going digital, we can help save forests and protect our planet for future generations.

**Let's Commit to a Greener Future!**

# Project Updates

## Private School at Salmabad: (Contratech W.L.L)

We are pleased to share the latest site progress of the Private School project in Salmabad. The construction is progressing on schedule, with MEP (Mechanical, Electrical, and Plumbing) works currently in full swing across the site.

Our team is working diligently to ensure the highest standards of quality and safety are met, as we move toward the next phase of development.

We look forward to sharing more milestones as the project continues to take shape into a modern, well-equipped educational facility.

## Kiddies Land at Riffa: (Leap W.L.L)

The project is currently undergoing foundation work, following the completion of initial site preparation and groundwork. This critical phase involves setting a strong and stable base to support the upcoming construction activities.

All operations adhere strictly to safety protocols and quality standards, ensuring the foundation meets design specifications and regulatory requirements.

Activities are progressing as expected, with the schedule on track for the next steps.

## CIT-HITACHI Warehouse at Askar: (Leap W.L.L)

Work is advancing steadily at the CIT-Hitachi Warehouse project. Steel structure painting and external blockwork are currently in progress, while material deliveries have been efficiently coordinated to maintain momentum.

The project is smoothly transitioning into more detailed and technical stages of development. Progress is clear as the structure continues to take shape, with visible changes happening every day.

# Employee Spotlight

## Employee Appreciation Certification Ceremony:

HMD Consolidate W.L.L, proudly hosted the Employee Appreciation Certification Ceremony to honor the dedication, expertise, and leadership of our Engineers, Supervisors, and HVAC Technicians.
