## Celebrating New Additions :

We are thrilled to welcome the newest addition to our fleet!

Congratulations to all the recipients!

We truly appreciate **Mr. Isa Albarboori - Transport & Logistics Manager** and **Mr. Mukesh Tripathi - Group FM** for the seamless arrangement.

A special thanks to **First Motors (Hyundai Bahrain)** for the outstanding support.

## Staying Cool :

As temperatures rise, we remain committed to prioritizing the health and well-being of our workforce. We encourage everyone to stay hydrated, take regular breaks, and stay mindful while working in the summer heat.

Small actions - because a healthy team is a strong team.

## ***Progress at Fun House :***

We are excited to share the latest progress from the Fun House site at Once mall – Isa Town.

Contratech is approaching completion of the full scope of Mechanical, Electrical, and Plumbing (MEP) works, a vital phase that ensures the site is equipped with a strong and reliable infrastructure.

The authorized distributor of Hitachi air conditioners - Contratech International Trading (CIT), has supplied the advanced Hitachi air conditioning systems, providing superior climate control to enhance comfort throughout the facility.

These important milestones are driving the project forward, building the foundation for a modern and welcoming space designed to offer an outstanding experience for all.

## ***Customized Air Conditioning Solutions :***

Contratech International Trading (CIT) has successfully supplied and installed Hitachi ducted air conditioning systems at a private villa in Riffa Views.

This installation was specifically tailored to meet the unique requirements of residential projects, delivering efficient, quiet, and seamless climate control that enhances comfort while preserving the villa's elegant aesthetic.

## New Educational Facility Project :

We are pleased to announce that Contratech W.L.L has commenced MEP works for a private school project in Salmabad.

With the site now reactivated, our team has mobilized and begun work on delivering a full scope of Mechanical, Electrical, and Plumbing systems. The project is being executed with a clear focus on quality, efficiency, and alignment with the school's operational goals.

This marks another opportunity to deliver infrastructure for future-ready educational environments. Stay tuned for updates as we progress on this exciting development.

## Delivered Smart Cooling Solutions :

Another landmark project for Contratech International Trading (CIT) - We are proud to have delivered Hitachi's high-efficiency ducted split air conditioning solutions to the prestigious Salman City Mosque.
