Closing 2025!
Turning the chapters of a remarkable year together.

As we close another productive year, we take this moment to reflect on our shared accomplishments and the steady progress made across all subsidiaries of our Group. Despite challenging market dynamics, each division demonstrated resilience, innovation, and a collective commitment to excellence. Our strategic focus on operational discipline, customer satisfaction, and sustainable growth continues to guide every milestone we achieve. We extend our sincere appreciation to all teams for their dedication throughout the year and look forward to an even stronger 2026.

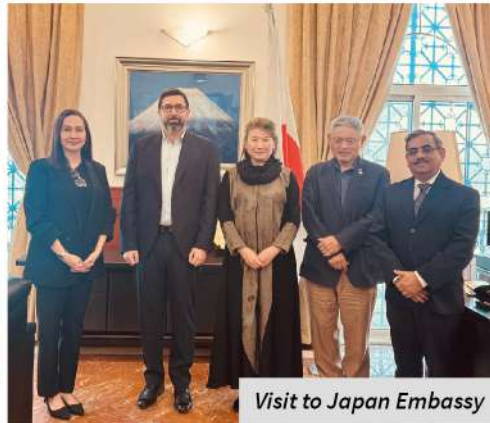

Contratech International Trading (CIT), a subsidiary of HMD Consolidate Group, marked a major milestone in February by signing a strategic contract with Ducting & Servicing Company (DASCO) in Kuwait.

As part of our 2025 achievements, this partnership stands as a testament to our collective efforts, strategic focus, and dedication to delivering value through collaboration and excellence.
